HITI INVITE ATTENTION to some o PECTORAL SYRUP

They are at home, and any one who has doubts can DR. KEYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL THOSE WHO NEED HIS MEDICINES.

DR. KEVERN:—My wife has been afflicted with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a fifty cent bottle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward.

Privinggue, Nov. 18, 1858.

Dr. Kryser:—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribable to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and hearst-ces of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

vere cold.

I have been, more or less, in my life, affected with the severest of colds and hoarseness. At times my throat would become so closed as to prevent myspeaking above a whisper, and by taking a few doses of the above flyrup, it would relieve me entirely.

Insecommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,
EDWARD J. JONES,
Cashier Citizens' Deposit Bank.

COL. PRATT AND DR. KEYSER'S PROTORAL SYRUP.—Dr. KEYSER. BECUSE the delay of my acknowledging the excellence of your Pectoral Cough Syrup sconer. I take great pleasure in saying that it is all you say it is. It knocked the noise out of my cough and the worst one I was ever afflieted with: I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I sm condient I can breathe more freely than I ever did. I shalf always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you think proper E. F. PRATT.

READ THE TRUTH.—Dr. Krysen: I have a daughter who has taken several medicines for a bad cough, without benefit—among them Ayer's Cherry Pectoral.

I purchased from you a bettle of your PECTORAL SYRUP, and before she had used half a bottle she was relieved. The second bottle cured her surject of the property of the prop Robinson street, Allegheny

A GREAT CURE BY DR, KEYEKE'S PROTORAL SYRUP.—L live in Pechles township, Allegheny county. I had a coughting and spitting, which commenced acout the 4th of February last, and continued sight mouths. I employed the best physicians in the country, and my cough continued unabated until early in October. At that time I was advised to try your PECTORAL COUGH SYRUP, which I did, and after I had taken one bottle I was entirely free from the coughlos and sultime. I had was entirely free from the coughing and splitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case.

Witness—B. M. HERE.

PATTON Tr., April 14, 1857.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill; with a had cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that be could not live. I had about the third of a bottle of your Pectoral Syrup, which I gave him, and it entirely cared him, to the automishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Pectoral saved his life.

JOHMN' GINNIS.

DR. REYSER'S PECTORAL SYRUP IN BLATES-VILLE.—Please send me another supply of your valu-able "Pectoral Syrup." Almost everybody around us has the cold and are inquiring for "Dr. Reyser's Pectoral Syrup." We have sold sixteen bettles last week, and are now entirely out. Mr. A. Alterand Mr. P. Maher, both of Blairsville, Pa., tell us they would not be without it in their families. In fact, all who use it once want it again. Yours, respectfully, J. S. WATTERSON & SONS

ANOTHER NEW CERTIFICATE—DR. KEYSER'S PROTORAL SYRUP.—I had been troubled with a cough and cold for several weeks—so bad was it that I could not sleep. I had the advice and prescriptions from three of the best physicians in the city, whom I could name, but do not do so. I finally procured a bettle of your Pectoral Syrup, which cured me entirely.—Bigned,
J. W. SIMONTON,

"BTOP THAT COUGHING."—'How can I do it?" "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully concur in the adviser's admonition as abeve, for we have tried the "Pectoral." in a most stubborn case, with one of the most distressing, contrary, mulish, unsubduable coughs we eyer experienced since our advent upon this mundane sphere. We coughed steadily and laboriously for one whole week. In hopes of thing it out, but it was no go. In fact it seemed rather to have improved by practice, and to have sequired strength potency and discressibility by the operation. In this stage of the siege, we coughed our way to Keyser's, 146 Wood St.—procured a fity-cent bottle of the "Pectoral;" took it according to directions, and in forty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Reyser's famous "Cough Pectoral."—Drownsville Chipper, Dec. 14, 1859.

To its original color without dyeing, and preventing the Hair from turning gray. FOR PREVENTING BALDNESS, And caring it, when there is the least particle of vitality or recuperative energy remaining.
FOR REMOVING SCURF AND DANDRUFF

And all cutaneous affections of the Scalo. FOR BEAUTIFYING THE HAIR.

Imparting to it an unequied gloss and brilliancy, making it soft and sliky in its texture, and causing it to curi readily.

The great celebrity and increasing demand for this unequaled preparation, convinces the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over any other preparation in use. It cleanes the head and scalp from dandraff and other cutaneous diseases, causing the hair to grow luxuriantly, giving it a rich, soft, glossy and flexible appearance, and also, where the hair is loosening and thinning, it will give strength and vigor to the roots and restore the growth to hose parts which have become laid, causing it to yield a resh covering of hair.

There are hundreds of indies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations have failed. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest redsectability. It will effectually prevent the hair from turning until the latest period of life; and in cases where the hair has already changed incolor, the use of the Invigorator will with certainty restore it to it to its original hue, giving it a dark, glossy appearance. As a perfume for the toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great facilities it afforts in dressing the hair, which, when moist with the Invigorator, can be dressed in any required form so as to pressure its place, whether plainfor in carle; hence the great demand for it by the ladies as a standard toilet article which none ought to be without, as the price places it within the reach of all, being
